

## Once Upon a Time

Once upon a time  
Before the likes of you or I  
Had taken steps to learn to cry  
Once upon a time  
How they would labour night and day  
To clear the ground and pave the way

For those who live after them  
The next of the line  
To give just the best to them  
Once upon a time

And once upon a time  
Was someone fussing over you  
Brushing hair and shining shoes  
And, once upon a time  
Was someone there to bring you round  
When growing up had got you down

You who are beautiful, in body and mind  
Thank God that someone cared  
Once upon a time

And yet heaven only knows  
There's so much gone before us  
Yet there's still so far to go

So you who are beautiful, in body and mind  
Thank God that someone cared  
Once upon a time
